

CAMP VERITAS POLICIES

Cancellation Policy:

Cancellation requests must be made in writing to Camp Veritas by contacting Clare Daly-enrollments@campveritas.com. If you cancel at least 30 days before camp begins, you will receive a refund. Food must be purchased after that point, and therefore, no refunds are issued for cancellations received fewer than 30 days prior to the start of camp. “No shows” on the day of registration will be billed.

Attendance Policy:

In order to ensure the safety of students and in the interest of adhering to Safe Environment Guidelines, students are not permitted to leave and return once camp begins. Camp is structured to provide the most enriching experience for the students, and we strongly suggest participants commit to the entire week. However, if for serious reason, you need to drop your child off late or pick them up early, please notify us in advance at enrollments@campveritas.com or 845-705-7920. In the event that a child becomes homesick or ill while on retreat, students are advised to notify staff and parents/ guardians will be contacted.

Visitor Policy:

In order to ensure the safety of students, once camp begins only staff who have satisfied Safe Environment requirements are permitted on site. Clergy, religious, parish staff, or other pastoral leaders interested in observing what happens at camp may contact Jennifer Edwards at admin@campveritas.com to make arrangements for a visit, which typically takes place on Thursday evening (Wednesday evening for the Florida camp). All visitors must obtain a visitor’s pass and be escorted by a member of Camp Veritas staff at all times.
