To: Priests and Religious Supporting Camp Veritas the Week of Jun 10-14th, 2018
From: Director of Operations – Elizabeth Young
Subject: Priest and Religious Information Packet

Welcome to Camp Veritas!

Your willingness to help Camp Veritas bring the souls of the youth to the foot of the Cross in the Eucharist, Confession and Catholic catechesis is the cornerstone of our faith formation at camp. We are indebted to you for your time and your great faith, which serves as well as an example to us all.

The attached pages include a suggested packing list and a copy of the camp rules which has been provided to the campers and staff already. Also attached, please see the (very) tentative spiritual schedule for the week with suggested topics and times. Please let us know if you are not available for any of the time spots or would prefer a different topic. The topics listed are part of our overall target for catechesis during the week, but not necessarily set-in-stone. We have also attached the volunteer and parent informational letters with more details about the week for your reference. Throughout the week we will keep you informed of any schedule changes that occur.

Arrival Details: If you are arriving on Sunday, and have not been part of Camp Veritas before, you are welcome and encouraged to attend the volunteer orientation program starting at 10:00 am and lasting until approximately 2:00 PM when we begin to prepare for campers. If that is not possible, we can use the help setting up our worship space at approximately 1:00pm on Sunday.

-Priests: Please bring your own vestments.

-The address of Lake Placid Camp & Conference Center is **2665 Placid View Drive, Lake Placid, Florida 33852.**
